

Be Beach Smart

- Obey lifeguard instructions.
- Don't drink alcohol and swim.
- Never dive in shallow water, it shatters life.
- Do not sit, stand or play between the two flags located in line with the front of the tower. Lifeguards need this area clear to enter the water when responding to emergencies.
- Always swim in line with the shore.
- Never swim alone - not even lifeguards or dolphins swim alone.
- Do not engage in the sale or purchase of illegal drugs. It is an offence.
- Have fun while taking part in watersports activities but most importantly, be safe, failure to do so can potentially result in serious injury or death.
