YOUR SPECIAL DAY
IN THE PARADISE OF
Akumal

In México, on the shores of the Caribbean, you will find everything to declare your love and seal it for eternity in the presence of loved ones. Your ceremony will be a fabulous one, worth remembering thanks to the striking scenery of the Riviera Maya. Here, you can exchange your “I do’s” with your feet in the sand and surrounded by the sea breeze of this Caribbean paradise. If you decide on a tropical wedding, you’ll be received with open arms at our Resort.

Location |

Our experienced staff (Wedding planners) will do everything to make sure that this long-awaited day unfolds just as you intended and will coordinate everything in order to create the desired ambience. Your wedding at our Resort can be any way you want it. We organize religious ceremonies (Catholic) in our own chapel, the Saint Martha Chapel. We also perform civil ceremonies as well as symbolic ones in which coloured sands are mixed in representation of your union. And you will have an unforgettable experience if you choose to commemorate your love with the ritual of Mayan Ceremonies, a local tradition in which you may take part if you wish.

FLAVORS OF Mexico and the world

We have special menus for weddings with a range of proposals that will surprise your friends and family on your special day.

Thanks to the wide variety of themed restaurants, you will find some of the most recognized culinary cultures in the world among our gastronomic offer. We want you to immerse yourself in a sea of flavours that will complement the most important day of your life.

We guarantee the best service, top quality ingredients and preparation down to the very last detail in a privileged location; a combination of elements that makes us the perfect choice to celebrate your big day with a personal and different touch.
